

Extra beds

In rooms of double or higher category, we will gladly provide a bed free of charge for a child under age 4.

For 4- to 12-year-old children, an extra bed in their parents' room of double or higher category will be charged at CHF 150.00 per night.

For children under age 18, an extra bed in their parents' room of Junior Suite or higher category will be charged at CHF 150.00 per night.

Extra beds are not available for adults in rooms and suites. A maximum of one extra bed is possible per room. If there is more than one child, we recommend rooms with connecting doors.
